

Patient Days 2026

If you or someone you care for is affected by amyloidosis, we warmly invite you to attend Amyloidosis UK's 2026 Patient Days.

Glasgow, Sunday 20th September, 11am - 4pm, Glasgow Golden Jubilee Conference Hotel, G81 4SA

Liverpool, Sunday 15th November, 11am - 4pm, The Haydock Hotel, WA11 9SG

These free events are an opportunity to:

- Hear from specialist presenters.
- Attend workshops on exercising with amyloidosis for health, an introduction to the support available through local organisations, and navigating the healthcare system.
- Enjoy a walk through the marketplace to meet volunteers from charities happy to help, understand the future of amyloidosis research and discover tools to help in everyday life.
- And have plenty of opportunities to connect with other people affected by amyloidosis.

The patient days will be held at fully accessible venues, with full refreshments and a delicious lunch provided.

Whether you have been recently diagnosed or know someone who has lived with amyloidosis for many years, we hope you will come and join one of these informative and supportive days.

To find out more and to register for an Amyloidosis UK Patient Day, please scan the QR code below or email info@amyloidosisuk.org.

Registration for each event closes two weeks prior. Places are limited, reserve yours now.

We look forward to welcoming you
